What Physicians Say About TAROENA FOOD

"Being a sufferer from fermentative
dyspepsia, I used Taroenia with many
doubts as to so starchy a food agreeing
with me. To my surprise, Taroenia
and my stomach have always remain-
ed on the best of terms, to my great
satisfaction and comfort."—JAMES
STIMSON, M. D., Watsonville, Cal.

"I have had occasion to test the mer-
its of a great number of prepared
foods while treating cases of seasick-
ness. I find none of them half as use-
ful as Taroenia Food. I am thoroughly
convinced that Taroenia is the most
nutritious food I have ever used."—
MILAN SOULE, M. D., steamship
Australia.

"My experience with Taroenia war-
rants me in recommending it as one
of the most valuable of the farinaceous
foods. It is particularly suited to all
inflammatory conditions of the gastric
intestinal tract. When made into the
form of a gruel and food it is retained
when other foods are rejected."—F. R.
DAY, M. D., Honolulu.

"Taroenia Food, in my opinion, is an
excellent infant and invalid food and
in many cases where I have used it,
it has always proved satisfactory. I
have four patients using it at present."
—G. J. BUCKNELL, M. D., San Fran-
cisco, Cal.

"Taroenia Food is a most wholesome
and nutritious article of diet, invalua-
ble to dyspeptics. I know of nothing
to equal it. The stomach will retain
it when nothing else."—GEORGE
HERBERT, M. D., Honolulu.

"Three babies who were unable to
retain food or medicine improved
promptly under Taroenia Food, retain-
ing it from the first. In one case a
child's life was saved by its use."—H.
A. SCHWENDENER, M. D., St.
Joseph, Mich.

Second Annual Easter Sale

Some people have an idea when they pass our store that
it is a small store with a small stock, etc., etc. A mistake.
Here is one of Honolulu's brightest, up-to-date stores with
one of the largest stocks of goods in the city. We're not so
old, but it isn't always age that counts. It's push and
energy. As a proof of our success we point with just pride
to the daily increasing number of ladies who entrust their
business to us.
George Washington is said to have once thrown a dollar
across the Potomac River. This is a long way for a dollar
to go, but it isn't a circumstance to how far a dollar will go
here this week in this great Easter Sale of ours.

Ladies' Neckwear

The most varied assortment of neck dressings we have
ever had is here, with its Easter greetings to you. Every
new caprice; Stocks, Jabots, Marcus and Collarettes; made
of dainty Laces and Chiffons; many of them hand wrought.
Pretty, all of them. Just the kinds that Fashion demands;
Just the kinds which will add so materially to the beauty
of your Easter gown. The prices run down-hill like this:
Fancy Chiffon Jabots with collars, trimmed with real Irish
Point Lace.....\$3.00
Fancy Chiffon Jabots with collars trimmed with Valen-
ciennes Lace pink, blue, cerise and cream.....2.50
Paris Collars; something new; white silk, Chiffon or
Organdie lace trimmed.....1.50
Fancy Liberty Jabots in white, delicate blues, pinks and
cerises......75
A lot of very pretty Stocks and Bows, about twenty
kinds in the assortment, marked from 75c and \$1. to. 25

Ladies' Silk Ribbed Vests

Something to appeal to an exacting taste. Termed
"shield shape" from the extra under armpiece, similar to
an ordinary dress shield. Made of soft elastic yarn in pink,
sky blue and white. Edges silk chocheted with tape to
match. Four qualities 75c, \$1, \$1.25 and \$1.50.

Want a New Corset?

Then get a "Straight Front." Perhaps you think we've
harped too much on the "Straight Front" string already.
At the risk of seeming tiresome, we again ask you to come
to this sale and ask to see the only corset that's going to
be worn by stylish women this year.
